

1. Summary information					
School	St Joseph's Catholic Primary School				
Academic Year	2022-2023	Total PP budget	£75,515 (financial year 2022-23)	Date of most recent PP Review	Spring 2022
Total number of pupils	270	Number of pupils eligible for PP	30	Date for next internal review of this strategy	Spring 2023

2. Current attainment			
	Pupils eligible for PP (whole school) 2021/22	Pupils eligible for PP (national EoKS2) 2018/19	Pupils not eligible for PP (national EoKS2) 2018/19
% achieving in reading, writing and maths		51%	71%
% making progress in reading	74%		
% making progress in writing	70%		
% making progress in maths	77%		

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<i>As numbers of PP children in school are low, we have looked at individual barriers to learning in order to inform our actions.</i>	
Possible In-school barriers (issues to be addressed in school, such as poor oral language skills)	
A	Teaching quality
B	Curriculum
C	Resources
D	Academic confidence and resilience
E	Behaviour
F	Lower levels of spoken communication skills
G	Gaps in basic skills development – reading, writing and mathematics
Possible External barriers (issues which also require action outside school, such as low attendance rates)	
H	Attendance / punctuality
I	Family disengagement in learning processes – reduced opportunities for home learning and curriculum enrichment
J	Low self- esteem and self-regulation, need to develop engagement and more positive attitudes to learning

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
C	To support pupils unable to access digital learning at home.	Improved engagement in home learning.
D	To raise self-esteem with regards to academic confidence and resilience. To be measured by engagement in challenging activities in class and school.	Increased involvement in challenging activities. Improved self-esteem when in conversation with teachers and PP lead.
E	To be able to make appropriate choices for behaviour in and out of class. To be able to engage fully in learning through appropriate behaviour for learning.	Improved behaviour in and out of class. Significantly less reports of poor behaviour via behaviour logs. An improved desire to engage appropriately in school life.
F	To raise standards of speaking skills and language development at least in line with similar pupils locally and nationally. To be measured by national standardised test. Teacher observations and assessment.	To achieve at least expected levels of progress. To develop more articulate and confident speakers. To enable pupils to more fully access appropriate curriculum opportunities through improved language skills. Lower attaining pupils more willing to talk and articulate their thinking. School ethos promotes mutual respect and values all contributions irrespective of attainment group.
G	That pupils make greater than expected progress from identified lower levels of key skills assessments in reading, writing and mathematics That pupils progress above local and national averages for similar pupils To be measured by national standardised tests and the school's internal progress tracking measures.	That levels of progress are measured as above those for similar pupils locally and nationally. That pupils are observed as more engaged and confident independent learners. Quality and quantity of feedback enhanced. Intensive oral feedback on misconceptions to reduce attainment gap.
H	To improve attendance and punctuality.	Improved and sustained attendance and punctuality.
I	To increase parental engagement and involvement in their children's learning. To improve home learning opportunities.	Significant increase in parental attendance at all meetings and school events.

J	<p>To increase curriculum enrichment, access to music ,art, digital learning and wider cultural experiences</p> <p>These will be measured by progress against baseline measures of numbers involved in range of school events</p> <p>Enhanced experiences in school and after school to improve aspirations.</p> <p>Nurtured confident, resilient learners who enjoy pursuing their own path and demonstrate a genuine love of learning.</p> <p>Recognition of making learning a reality beyond academic studies.</p> <p>To significantly improve levels of pupil self-esteem, engagement and self-regulation.</p> <p>To be measured by pupil questionnaire and interview and teacher observations</p>	<p>Significant increase in number of pupils accessing enrichment opportunities.</p> <p>Evidence of increased pupil self-awareness and confidence.</p> <p>Greater levels of engagement and pupil progress.</p>
