Share in our learning – Year 5 Autumn 2

Physical Education

- Tag Rugby
- Dodgeball

Art & Design

Food Technology – “Why are our diets so different?”

In this unit, pupils will look to Middle Eastern and Danish foods for inspiration and consider what they can learn from the diets of different cultures. They will learn how to make flatbreads and use a range of techniques to make delicious, appetising food.

Computing

Binary messages

This unit introduces binary code, explaining what it is and how it is used. Complete a range of digital activities, including solving binary challenges and creating an instructional video, a poster, and a spreadsheet to collect data.

RE – Branch 2 Prophecy & Promise

- Prophets and God's promises: Children explore how God spoke to his people through the prophets of the Old Testament, and how their messages helped people prepare for the coming of Jesus,
- Advent and the birth of Jesus: The importance of waiting and preparing for Jesus during Advent.
- The meaning of Christmas for Christians today: Children consider how the promises made by God are fulfilled in Jesus and reflect on how Christians can prepare their hearts for Christ.

Music

Unlocking vocal potential

- Sing with a sense of ensemble, paying attention to phrasing, pitching and musical style.
- Sing songs in unison, and in two or three parts.
